MEMORANDUM FOR [REDACTED]

Subject: Surety Bonding of
Personnel Relations Clerk

1. Enclosed herewith is the original memorandum to the undersigned from [REDACTED] Acting Chief, Personnel Branch, concerning the above subject. In this memorandum, there is furnished information concerning the purpose of the bond. It is suggested in the memorandum that [REDACTED] Chief, Personnel Relations Division, be made recipient of the bond. It appears it might be more desirable to have the Director, CIA, in lieu of [REDACTED] and, in any event, no individual should be named by name but by title of his position.

2. Will you furnish the bonding company with the information which they have requested of you and which is furnished in the attached memorandum? It is believed that an appropriate bond could be written after negotiation between the bonding company and CIA.

3. If any assistance is desired from this office, we shall be pleased to cooperate upon request.
